Susannah J Heren being duly
sworn in oath says that the
age of her deceased Claimant is
343.913 that she is the widow
of Theodore B Heren late of
Co F 141 Regt N.Y. Colo-Inf
that when her late husband first
came back from the army
in March 1865 he came to
Weyburn Sturtevant Co N.Y. where
his new men when he enlisted
he was sick then with Chronic
Dysentery and was treated
by Dr Cameron Deitcher
who was an old man about
40 yrs of age who said as
she is infirmed long since
he was the only Dr that treated
him while they lived there
in 1864 they moved to Aurora
Wisconsin and he was treated
there by Dr McColl who
died about 11 years since
and is infirmed
in 1876 they left Aurora Wis-
consin and moved to Lake City Calhoun
and while there 2 years
treated by Dr May

and Hopkins they both left
there about the time Cleimant
died and she has never been
able to find either of them
in 1848 they left Iowa and
came to their present place of
residence and the 1st Dr
he used was Dr Theodore
Hack who has already
testified in her claim
but she does not know him
for Hack his testimony was
that she has tried to get
medical evidence of his
treatment for Charles's disease
in any way possible by
writing many her attorney
M Bentley write and her
relatives write but it is
utterly impossible for her
to get it for the reasons
above stated that when
she says she is informed that
the Drs - one of which she has
found that fact by writing
and getting the information
that means around so much
and remaining in places so
short a time people who

became acquainted with
them and her problems circling
have now forgotten it and
it is impossible to get their
testimony that she herewith
returns Circular hereto attached
so you can see she has
complied with it as far
as possible

UNITED STATES
DEPARTMENT OF THE INTERIOR
BUREAU OF PENSIONS
WASHINGTON

In response to your communication, I have to advise you that section 2 of the act of July 3, 1926, provides--

The widow or remarried widow of any person who served in the Army, Navy, or Marine Corps of the United States during the Civil War for ninety days or more and was honorably discharged from such service, or regardless of the length of service was discharged for or died in service of a disability incurred in the service and in the line of duty, such widow or remarried widow having been the wife of such soldier, sailor, or marine during the period of his service in said war, shall be paid \$50 a month.

As the pensioner in the above-entitled case was not married to the soldier until subsequent to the period of his service during the Civil War, she could have no title to the \$50 rate provided by said act.

I have been attending T. B. Haron for
chronic diarrhoea, as near as I can
find out in July 1882 at first, and from
time to time ever since till he died, I was
not attending to him, when he died, I do not
know anything about his death neither
do I know, when his death occurred, but
I can state that he was failing gradually
all the time till up to spring 1885, I
will also state, that he was not able
to perform more than $\frac{1}{4}$ one quarter

APPLICATION FOR A NEW CERTIFICATE.

A blank space is left at the close of applicant's affidavit that the time, place, and manner of the loss or destruction of the original certificate may be set forth. In case of loss of certificate, it should be shown that proper efforts have been made for its recovery. The pensioner's oath must be supported by the evidence of another person as to identity. The witness must swear that he or she well knows applicant to be the same person described in his or her affidavit, and the magistrate must certify that the deponent is a person of veracity. When a person acting as agent or attorney for a pensioner loses the certificate, the affidavit of that person, duly authenticated, is also required.

The official character and signature of the officer before whom the affidavits are made must be authenticated by the certificate of the proper officer, under his seal of office.
